TIGER FOOTBALL '88

1913-88

The 1988 homecoming theme is "Go for the Gold" which reflects the Olympic year. Pomp and pageantry are synonymous with Fort Hays State homecomings as is exhibited by the picture of the award winning float entered by the Creative Arts Society in last year's parade.

THIS IS FORT HAYS STATE UNIVERSITY

Founded in 1902 on the Plains of Western Kansas, Fort Hays State University is the second youngest of the six state universities of higher education.

From an exciting beginning, when 34 students were greeted by two faculty members and a 19-course curriculum, our University has grown to a student body of 5,500, a faculty of nearly 300, a support staff of 250 and a curriculum comprised of 1,500 courses.

Fort Hays State University is one of six state-assisted universities governed by a Board of Regents appointed by the Governor of the State of Kansas.

The main campus of FHSU sits on 200 of the 4,160 acres owned by the state of Kansas and deeded to the University. Winding Big Creek, with its shady, grassy banks, traverses the campus and

provides not only a tranquil, conducive learning atmosphere, but also a natural laboratory for students in the biological sciences. Our campus has often been called the prettiest in Kansas.

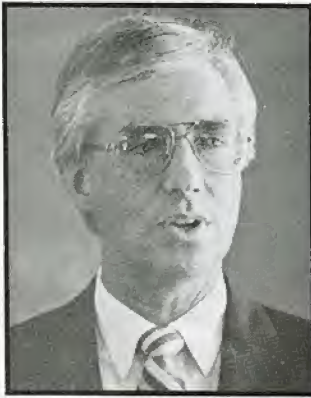

Fort Hays State University is located in Hays, the largest city in northwest Kansas. A progressive city of 17,500 people, Hays is an old cow town on the Union Pacific railroad. The old and the new blend beautifully to form a city that is small enough you can feel comfortable in, yet is large enough to provide culture and shopping facilities second to none.

The University is comprised of five schools: Arts and Sciences; Business; Education; Graduate; and Health and Life Sciences, and 24 departments.

FHSU is academically superior to many comparable universities and is

richly endowed by heritage and tradition. A recent survey of our students showed that while there are a multitude of reasons why students come to our University, their overwhelming response was "because of the University's reputation for academic excellence."

Fort Hays State University supports one of the most extensive intercollegiate sports programs of any comparable size college or university in America. More than 350 athletes annually compete in seven men's and five women's sports. Fort Hays State University is a member of the strong Central States Intercollegiate Conference, a league which includes Emporia State, Kearney State (NE), Missouri Southern, Missouri Western, Pittsburg State, Washburn, and Wayne State (NE).

JOHN VINCENT - HEAD COACH

John Vincent has compiled an 16-13-1 record in three seasons as head coach of the Tiger football program. Vincent led FHSU to a 7-2-1 record and a number 12 ranking in the NAIA's final poll in his first year as a head coach.

A native of Medicine Lodge, KS, Vincent spent three seasons as an assistant at Fort Hays State before assuming head coaching responsibilities. He was responsible

for coordinating the defense under Bobby Thompson in 1984 and held down the same position for Jim Gilstrap during the 1982 & 1983 seasons.

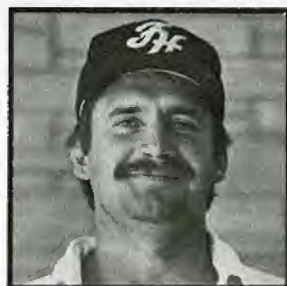

With experience in the high school and junior college ranks, Vincent has coached at all levels. In 1980-81, he was the defensive secondary coach at New Mexico Military Institute. He has also coached at Victoria and Claflin high schools.

The Tiger head mentor received both his undergraduate and graduate degrees from Fort Hays State. He earned his Master of Science in physical education in 1982 and his Bachelor of Science in biology in 1971. While working on his master's degree, Vincent was a graduate assistant on the FHSU coaching staff.

Vincent attended Kansas State University prior to finishing his undergraduate work at Fort Hays State. His football playing career was cut short by a stint in the Army. He played cornerback and free safety on Army post teams that competed in inner service games. Vincent went out for Tiger spring ball in 1979 but was unable to continue playing due to an illness.

John and his wife, Mary, are the parents of twin sons, Shiloh and Tanner and also have one daughter, Shamra.

DUANE DIRK - DEFENSIVE COORDINATOR

Duane Dirk joined the Tiger coaching staff in the spring of 1987 and gave new life to the defense as a coordinator. Dirk came to FHSU following a successful stint at Coffeyville Community College.

Dirk had responsibilities as the defensive coordinator, and with the defensive line, linebackers and strength and conditioning in his four year stay at Coffeyville.

A native of Milwaukee, WI, Dirk played varsity football at Kansas State University. He was a three-year starter at defensive tackle, academic all-America (1979), all-Big Eight Academic (1979) and honorable mention all-Big Eight (1979). Dirk also held graduate assistant and part-time assistant coaching positions at KSU from 1979 to 1983.

Duane and his wife, Melody, have four children: Duane, Jr., twins John and Jennifer, and Travis.

PAT POORE - OFFENSIVE COORDINATOR

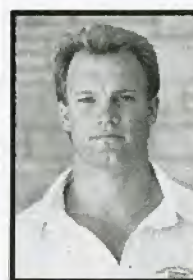

Pat Poore has been involved in the Tiger football program since 1980 when he signed out of high school to play for FHSU. He will switch sides of the ball this season as the of-fensive coordinator after three seasons as a defensive secondary coach. Poore was a four-time letterwinner on the Fort Hays State football squad at free safety and was named to the first team All-District 10 and All-CSIC squads as a senior. He holds a share of the Tiger career record for interceptions with 11.

The Stockton, KS native joined the coaching staff as a student assistant in the spring of 1985 after the completion of his final season as a player. He was named a full-time assistant in the spring of '87. Poore earned his bachelor's degree in physical education in 1984 and master's in 1986.

Pat and his wife Gwen, have a toddler son, Trevor.

LEWIS FIELD STADIUM-HOME OF THE TIGERS

Lewis Field Stadium, the 7,000-seat home of the Tigers was constructed in 1936 on what was formerly the Golden Belt Fairgrounds, and was named in honor of William Alexander Lewis, president of Fort Hays State University from 1913 to 1933.

The native limestone structure is located beside a spacious tree-lined drive and is just a short walk from the campus residence halls and the downtown business district.

An average of 4,300 fans saw the Tigers play in '87 with the western Kansas weather good for most contests. The largest crowd was projected at 6,012 for a homecoming game with Wayne State.

The stadium turf is Bermuda grass, the same strong-rooted plant used in many golf course greens. Dressing rooms, concession areas, athletic training facilities, and equipment storage rooms are located under the grandstands. New restroom facilities were completed before the 1986 season replacing older outdated ones.

Admittance to the stadium is allowed through two main gates, one on the east side and one on the west side. Four ticket windows are in service for each game.

Atop both grandstands are press box facilities

ties which provide seating for writers, statisticians, radio stations, scouts, and film/video crews. The home (KAYS Radio) radio facilities are located on the west side along with the home coaches box and all film/video crews.

The east side is made available for all press,

visiting radio, FHSU sports information, visiting information personnel, public address, scoreboard operations and a private box for the president of the university and guests. An eight-lane, cinder track surrounds the playing field and adjacent to the stadium are regulation size practice facilities.

TIGERS IN THE NATIONAL FOOTBALL LEAGUE

Two former Tiger gridders had a significant impact on their clubs last season in the National Football League. Frankie Neal, a third-round draft pick of the Green Bay Packers in 1987, played in 12 games. Neal was second on the Packer squad in receiving with 36 catches for 420 yards and three touchdowns. The Okeechobee, Florida native scored twice against the Kansas City Chiefs in a 23-3

Frankie Neal

Green Bay win. Les Miller seized the opportunity to play for the San Diego Chargers as a replacement player during the NFL player's strike last season and was able to earn a permanent job with the club following the labor dispute. Miller, who played three seasons at

Kansas State before finishing up at FHSU, played defensive tackle for the Chargers. The Arkansas City, KS native scored a touchdown on a sack and fumble recovery against Kansas City.

Howard Hood and Rod Timmons both members of the FHSU squad in 1986 made the Atlanta Falcons and Los Angeles Raiders, respectively, as replacement players last season. Neither player was able to secure a spot on a team after the strike.

Steve Crosby was a Tiger from 1971-73 and has also been successful in professional football. Crosby played three seasons for the New York Giants before a knee injury ended his career in 1977. He was selected in the 17th round of the 1974 NFL free agent draft. Since the end of his playing days, Crosby has coached with the Miami Dolphins, Atlanta Falcons and the Cleveland Browns. Crosby returned to the Falcons in '87 as the quarterback coach.

NFL squads also employ several support personnel who are affiliated with Fort Hays State. Steve Antonopolus was the Tigers' athletic trainer in the mid-70's and is now the head trainer of the Denver Broncos. Antonopolus gave Brad Brown his start in the NFL, Brown is now the head trainer for the

Houston Oilers. A native of Norton, KS, Brown was on the FHSU staff as head trainer from 1978-85 and earned both a bachelor's and master's degree at Fort Hays State.

Les Miller

After five years at the University of Southern California, Jerry Simmons was named Strength and Conditioning Coach for the New England Patriots in June. Simmons, who hails from Elkhart, KS, is a '77 graduate of FHSU where he was a two-time letterman in football and a member of the Tiger coaching staff in 1978 & 1980.

A number of former Tigers were signed as free agents, but none are known to have played in the National Football League.

FORT HAYS STATE vs. MISSOURI SOUTHERN

THE GAME TODAY

THE MATCHUP: Two win-hungry teams will pair off in today's game. Only Missouri Southern has notched a victory in 1988 with a season opening win over North-eastern Oklahoma State, 22-19. Fort Hays State managed a 13-13 tie with Cameron University in its third week of the season.

The Tigers and the Lions are two teams which have come full circle in their offensive philosophies. FHSU has installed a wishbone set (three running backs) in the last few weeks after quarterback Craig Modellmog was lost for the season with a knee injury sustained in the Tigers game with Northwestern Oklahoma State. Modellmog was the engineer of FHSU's successful run-and-shoot (pass oriented) offense which has been the trademark of John Vincent coached teams since 1985. Fort Hays State went 7-2-1 in '85 with that offense. Now the Tigers use a variety of sets including a little of the run oriented and a little of the pass oriented looks to utilize the personnel they have available. Missouri Southern on the other hand has shelved the option offense of a year ago and now run an offense that features the pass. The Lions under first year head coach Bill Cooke have averaged 304.8 yards a game passing.

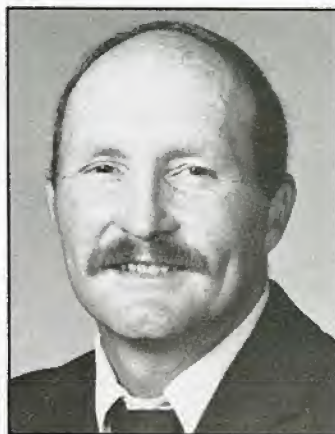

A junior college transfer, Alan Brown, runs the Missouri Southern passing attack. Brown at 5-10, 173 has already thrown for 1,126 yards and three touchdowns in starting all four MSSC games. A solid receiving corp which includes Great Bend native Donley Hurd assists Brown in the passing game. Dennis Browning is the Lions top receiver with 24 catches for 408 yards for an average of 17.0 yards a catch. Jerome Stone and Hurd have 18 and 16 receptions, respectively. Missouri Southern has rushed for 171 yards in 126 attempts.

The Tigers are still relying on the all-around ability of Tyrone Tracy. The Indianapolis junior is averaging 182.5 yards a game in all-purpose yardage. Unfortunately, over half of Tracy's 730 yards have come on kickoff returns which is a good news, bad news situation for FHSU. The good news is that Tracy is averaging almost 29 yards on every kickoff return, but the bad news is that he has 13 returns this season which have usually followed a touchdown by the Tigers' opponent. Tracy is the squad's top pass catcher with 13 receptions

for 236 yards. He has scored three of Fort Hays State's five offensive touchdowns.

Freshman Kerry Henderson from Baytown, TX, is the top rusher for the Tigers with 192 yards on 26 carries. Henderson ran for 130 yards and a touchdown against Cameron. Another freshman, quarterback Kelly Vigil leads the team in passing with an average of 63.7 yards per game. The McCoy, CO, signal caller has yet to throw his first touchdown pass.

THE SERIES: Missouri Southern holds a slight 8-9-1 edge in the overall series. The Lions have five consecutive games with the Tigers including a 38-13 win at Joplin, MO, last season. The 1981 season was the last time Fort Hays State came away with a win against Missouri Southern in a 27-24 game.

Bill Cooke
Lion Head Coach

THE COACHES: John Vincent now stands at 16-16-2 in three-plus seasons at the helm of the Tiger football program. Vincent was a defensive coordinator for two seasons at FHSU before assuming head coaching responsibilities in 1985. Vincent's Tiger squads are 3-0 in homecoming contests. Bill Cooke is in his first year at Missouri Southern and was promoted from his position as defensive coordinator on Aug. 16, just a couple of weeks prior to the start of the season. Cooke has been given an interim title for the remainder of the current season. A Denver native, Cooke compiled a 20-16-1 head coaching record at Fort Lewis College in Durango, CO, from 1984 to 1987. He also has served as an assistant at Adams State (CO).

LAST YEAR: The option offense of Missouri Southern piloted by Addie Gaddis shredded Fort Hays State for 400 yards rushing and a 38-13 victory at Joplin, MO.

Gaddis, a senior who now plays safety for the Lions, ran for three touchdowns and 232 yards. Five turnovers proved costly for the Tigers despite another good outing by Tyrone Tracy who caught six balls for 119 yards and scored FHSU's only touchdown.

THE NOTEABLE: Not since 1974 have the Tigers entered the fifth week of play without a victory. The '74 squad finished the season with a 1-9 record. Fort Hays State had won seven consecutive season openers before this season which made John Vincent 3-0 in first games. The 1978 Tigers rebounded from an 0-3 start, which is slightly worse than this year's 0-2-1 mark after three games, to complete the season at 6-5-1.

Tyrone Tracy continues his assault on the all-time kickoff return records at Fort Hays State with an average of 28.9 yards per return this season. Tracy entered the season as FHSU's best single season and career kick returner. With every return, he adds to his own record. Tracy has returned 57 kicks for 1,348 yards in just over two seasons of competition. He has averaged 23.6 yards per return, but has not returned a kickoff for a touchdown.

Celebrating 75 years . . .

by Stan Miller

1968 harriers return as Homecoming Grand Marshals

Twenty years ago this fall, a group of students from western Kansas set the running world on its ear.

It was not earth-shattering news when Fort Hays State won the 1968 NAIA National Cross Country Championships, but people did seem to recognize the name of the school.

Maybe it was because the FHSU Tigers won national titles in '64 and '65 (and would go on to win another in '69), and seemed to dominate their small-college competition whenever they raced.

But many people might have been wondering if the Tigers were in a little bit over their heads at the 1968 National AAU Championships, as the best amateur runners in the nation converged on Van Courtland Park in New York to decide who was the best, period.

All the small college from Kansas managed to do was capture third place among the so-call "big boys," finishing only behind Villanova University and the New York Athletic Club.

And to remove all doubt from the non-believer's minds, an athlete from little Fort Hays State ran away from the field to claim honors as the best cross country runner in the nation.

And now, twenty years later, the 1968 Tiger cross country team returns to campus to be honored as the Grand Marshals of the 1988 Fort Hays State Homecoming Parade. It is fitting that the theme of this year's celebration is "Go for the Gold," because that is just what the 1968 cross country team did.

John Mason, Laurbi Oukada, Steve Boehmer, Herb Camien, Brett Biggs, Bruce Zamrzla, Jerry Duran and Roger Carlin, along with coach Alex Francis put FHSU at the forefront of Tiger athletics twenty years ago, and now are being recognized again for their outstanding accomplishments.

The legendary Francis guided the team to the title in '68, just as he did in '64-'65 and '69. Francis' list of accomplishments is lengthy, including a 24-year association with the US Olympic Committee, numerous international coaching positions, and induction into the NAIA and FHSU Tiger Sports Halls of Fame. His biggest thrill in coaching came in 1962, when he served as

head coach for the Western Hemisphere team that travelled to Germany to compete against the Europeans. At the time, Francis' team (that included athletes from North and South America was the largest non-Olympic contingent to travel overseas.

Mason was the heart and soul of the team, and gathered a bundle of achievements in his four-year career. He won the 1968 AAU Championships easily, according to Francis.

"He just toyed with them," he said of Mason's competitors. "He could run hills like nobody."

The Phillipsburg native also captured two NAIA titles, three Missouri Valley AAU titles, and amassed an incredible 21 straight cross country wins. He finished second in the Missouri Valley AAU Championships as a sophomore, but never again lost in his collegiate career.

On July 18, 1968, Mason competed in Stockholm, Sweden in an international 1500 meter run, and won with a time of 3:40.5. He left in his wake two Olympic gold medalists: Kipchoge Keino of Kenya and Mahamed Gammoudi of Tunisia. Although he never competed in the Olympics, that race, more than anything, proved John Mason was truly a world-class runner.

Oukada did compete in the Olympics

for his native Morocco in the 1968 Games in Mexico City, and he is the only FHSU athlete to hold that distinction.

That Oukada competed for Fort Hays State at all is a story in itself, as Francis did little to recruit him. Oukada was in Paris, and obtained a copy of the results from the Kansas Relays, a prestigious college track meet.

He noticed FHSU dominated the distance events, according to Francis, and wrote a letter to the Tiger coach inquiring about running for his team. There was no way Francis was going to decline, and the rest is history.

Dr. Oukada is presently teaching in Indiana, and is fluent in six languages.

"He's a helluva lot smarter than his coach, I guarantee," Francis said with a chuckle.

Both Mason and Oukada are members of the Tiger Sports Hall of Fame, as Mason was inducted with the inaugural class in 1986, while Oukada was so honored last year.

Homecoming is traditionally a time to reflect on memorable gridiron victories and heroes, and FHSU has been blessed with both. But in 1988, some of the focus at FHSU shifts back to cross country, where 20 years ago Fort Hays State was the home of the best NAIA team in the nation.

The 1968 Fort Hays State cross country team captured the 1968 NAIA national title, and finished third in the '68 National AAU Championship.

TIGER BOOSTER CLUBS

The Tiger Booster Clubs of Fort Hays State University provide a most important role in providing supplemental income for use by the Department of Intercollegiate Athletics. Through this medium, alumni and friends of the FHSU Athletic Department can contribute to the department to aid in financing the high cost of educating student-athletes and improving facilities. Membership is open to all interested persons and all donations are tax deductible. Without this support, it would be impossible to build and run a first-class athletic program which is an integral part of the total University.

UNIVERSITY ANTHEM

On the plains of Western Kansas
Stands a school we all love well
'Twas built by the toil of our fathers;
To its glory our voices swell

Chorus:
Hail to old Fort Hays State!
Let your voices ring
Praise for the Black and Gold
We will ever sing
Long may our valor last
Through the future days
Hon'ring and praising
Dear Fort Hays.

In the years that lie before us
We foresee our land's many needs
Through the efforts of new genera-
tions,
We'll go on to more noble needs.

Go you, Hays Tigers,
Fight right through that line.
With your colors flying
We will cheer you all the time.
Rah, Rah, Rah.

Go you, Hays Tigers
Fight for victory
Fight for the fame of our fair name,
Go Hays Tigers
Win this game.

TIGER MARCHING BAND

The Fort Hays State University Marching Band is proud of their contribution to the Tiger athletic program. The band has tradition- ally provided excitement for the team and fans, on the field and in the stands. The Marching Tigers perform for all home halftime and pregame festivities throughout the year, and also performed at the FHSU- Washburn game last season. This year the band will travel to the FHSU-Emphoria State game on October 29. The Tiger Marching Band has grown from 50 members in 1985 to well over 100 in 1988. The band is under the direction of Raydell Bradley. He is assisted by Leita Deines, Auxiliary Unit Coordinator, Shawn Martin and Paul Murray, Drum Majors, Kamela Jones and Pam Craig, Flag Captains, Darcy Deines, Tiger Deb Captain, and Lynn Bramel, Band Assistant. The members of the band invite all Tiger fans to support their performances at halftime.
